

The logo for Ergotron, featuring the brand name in a white, italicized, sans-serif font on a black rectangular background. The background of the entire page features a series of overlapping, semi-transparent light blue and grey geometric shapes, including squares and triangles, creating a modern, layered effect.

Neo-Flex® Lift Stands

- Position screens for maximum ergonomic comfort, promoting wellness in any work area
- Small footprint frees up workspace and increases efficiency
- Integrated base rollers enable 360° rotation so you can share your views with others
- Patented Constant Force™ (CF™) technology enables light touch adjustments without levers or knobs
- Five-inch (13 cm) height adjustment ergonomically accommodates average range of users
- UL 1678 certified

A NEO-FLEX LIFT STAND FOR EVERY COMPUTING CONFIGURATION

Dual LCD Lift Stand: Affordable, height-adjustable dual-monitor stand for maximum productivity and comfort.

Widescreen Lift Stand: Upgrade your widescreen display with five-inch (13 cm) height adjustment, tilt, pan and portrait-to-landscape rotation for optimum viewing.

Combo Lift Stand: Simply combine your laptop with an LCD display and separate keyboard and mouse to create a productive dual-display configuration.
